1. GETTING STARTED

1.1 System Requirements

- Modern web browser (Chrome 90+, Firefox 88+, Safari 14+, Edge 90+)
- Stable internet connection
- School-issued Google account (@school.edu.ph or similar)
- JavaScript enabled in browser settings
- Camera access (for QR code scanning at events)
- Minimum screen width: 320px (mobile responsive)

1.2 Signing In (Google SSO)

The FHUSOCOM Student Portal uses Google Single Sign-On (SSO) with your school account.

1. Open your browser and navigate to the FHUSOCOM portal URL
2. Click "Student Sign In" on the landing page
3. You will be redirected to the Google sign-in page
4. Select your school Google account (must be @school.edu.ph domain)
5. Grant permission for FHUSOCOM to access your basic profile
6. Upon successful authentication, you will be redirected to your dashboard

1.3 First Login & Profile Setup

After your first successful sign-in:

- Your student record is automatically linked via your school email
- Complete your profile: upload a profile photo (optional but recommended)
- Verify your section and program information is correct
- Review the welcome banner showing your name, section, and current term
- Familiarize yourself with the sidebar navigation on the left

Note: If you don't see your student dashboard and are redirected to the admin panel,

contact the system administrator — your account may be configured as an officer.

3.3 Attendance Tracking

Monitor your attendance rate and history. The system tracks:

- Overall attendance rate percentage (target: typically 80%+)
- Number of absences this term
- Detailed log of each event: Present, Late, Absent, Excused, Not Scanned

- Real-time status for live events (shows "Not Scanned" until you check in)
- Check-in/check-out timestamps for completed events
- Missing more than 3 required events without excuse may trigger a sanction

5. TROUBLESHOOTING & FAQ

Q1: I cannot sign in — "Access denied" or redirected to admin panel.

A: Ensure you are using your school Google account (not personal). If you're an officer, use /login/officers instead. Contact admin if your role is misconfigured.

Q2: My attendance rate seems wrong.

A: Rate = (Present check-ins) / (Total attendance records). Events without attendance tracking don't count. Late arrivals count as present. Contact officers if an event is missing.

Q3: I uploaded a fee proof but it's still "Pending".

A: Proofs are manually verified by the Treasurer. This typically takes 1-2 business days. You'll receive a notification when the status changes to "Paid" or "Rejected".

Q4: I don't see an event I attended.

A: Events only appear if created by officers for the current term. Past terms' events are archived. Ask your officer to create the event if missing.

Q5: The QR scanner won't open at an event.

A: Grant camera permission in your browser settings. Use HTTPS (required for camera API). Ensure good lighting. If issues persist, ask the event organizer for manual check-in.

Q6: Mobile navigation doesn't work / bottom bar missing.

A: The bottom nav appears only on screens < 1024px wide. On tablets/desktop, use the left sidebar. Refresh the page if it doesn't appear after resizing.

Q7: Transparency documents won't download.

A: Check browser download permissions. Some browsers block auto-downloads. Right-click the download icon and "Save link as..." as an alternative.

Q8: My section/program info is incorrect.

A: This data comes from the registrar's office via the admin panel. Contact your student government officers to request a correction.

6. SUPPORT & CONTACT

For technical issues or questions about the portal:

- Email: support@fhusocom.edu.ph
- Office: Student Government Office, Room 204, Main Building
- Hours: Monday–Friday, 8:00 AM – 5:00 PM
- In-app: Use the notification bell for system announcements
- Emergency: Contact your section representative or batch governor
